Since 1836 A Legacy in Motion

For 190 years, the Sächsische Dampfschiffahrt has stood for unforgettable experiences on the Elbe River. Our historic fleet — the oldest and largest of its kind in the world — combines timeless nostalgia with modern comfort, bringing history to life with every voyage. The year 2026 will be truly special: We are planning a grand anniversary parade, exciting onboard and onshore events, surprises to cele-

brate this historic milestone in style. At the heart of the festivities are several remarkable anniversaries: the 100th birthday of the paddle steamer Dresden, 140 years of the Pillnitz, and 130 years of the Kurort Rathen — all proud milestones in the history of our tradition-rich fleet. In 2026, we once again invite you to travel back in time and experience the magic of the Elbe aboard our unique paddle steamers!

ELBZAUBER

The open-air event on the river

On the occasion of the 190th anniversary of the Sächsische Dampfschiffahrt, the River Elbe becomes a glittering stage. Beneath a sparkling canopy of stars and set against the impressively illuminated backdrop of Dresden's historic old town, you will experience a late summer evening that truly touches the soul.

Several festively illuminated ships of the Sächsische Dampfschiffahrt gather on the river, forming – together with a floating water stage – the heart of the production. On impressive LED screens, striking images and scenes come to life, while lighting effects dance across the water and bathe the night in spectacular colors.

The orchestra performs on an open-air stage along the banks of the Elbe River, while soloists perform in the middle of the river – creating a fascinating 360-degree experience filled with music, light, and emotion.

Birthday celebrations on the Elbe

We celebrate our steamers

Three historic steamers, three special anniversaries — and one shared celebration on the Elbe:

This year, the historic paddle steamers of the Sächsische Dampfschiffahrt are celebrating milestone birthdays and warmly invite you to join the festivities.

On each anniversary date, the respective steamer will open its doors for a special “Open Ship Day,” offering fascinating behind-the-scenes insights — from engineering and history to the lovingly preserved details on board.

In addition, you'll have the opportunity to enjoy a separate one-hour Canaletto sightseeing cruise departing from Dresden's Terrassenufer, experiencing the Elbe River from the relaxing perspective of the water.

The festive highlight of each celebration day takes place in the evening with a grand Palace Tour, accompanied by lively Dixie swing music, bringing the anniversary to a close in a truly memorable atmosphere.
